D096 Ward Councillor's Report – Cllr. R. Phillips

Concessionary Car Parking

“You will be aware of a countywide system of car parking concessions for those over 65 years of age. This was first introduced in January 2001. It allows for a person of qualifying age to buy a permit allowing two hours free parking in a car park in the town closest to their home, as determined by their post code.

The charge payable is £5.00 per year. This flat rate charge has not been increased since the concession was introduced despite a number of general car park charge increases during the same period.

The Director of Sustainable Communities has agreed that the annual charge is to be increased to £10.00 per year with effect from 1 August 2010. This continues to represent excellent value for money and a significant concession on standard car park charges.”

World Blind Football Championships in Hereford

Following the South African World Cup the Football Association are hosting the World Blind Football Championships from 14th to 22nd August at Point 4, Hereford which is off Venn's Lane, the new buildings of the Royal National Blind College. 16 nations are competing, including England, Spain, Brazil, Argentina but not Germany. The full fixture list is on the website.

Standard tickets throughout the tournament will be sold as day passes and will be priced at £5 (concessions £2). This is for both England and non-England days. Pre-booking is strongly advised, either on line off the website or at Point 4 reception where tickets will be available towards the end of July. You can call Point 4 through the Blind College switchboard 01432 265725. This is a great coup for Hereford as the championships are usually held with the Olympics Games or in Capital Cities.

Digital TV Switchover

“Digital UK” will switch the Central TV region (includes Herefordshire) to digital next year at which point the whole region will get Freeview. They will write to every householder before the Ridge Hill transmitter switches over between 6 and 20 April 2011.

Help will be given to elderly customers and over the next six months a great deal of information will be sent to explain what you need to do including in Herefordshire Matters.

Macmillan Renton Unit

Work has commenced on the site at Hereford Hospital and is due to be complete by end of March 2011 with first patients treated next April. The Radiotherapy unit which will be managed by Gloucestershire Hospital Trust is on track to open in late 2012.

Dilwyn School

The Council has begun the statutory process to close Dilwyn School for 31st August 2011. The Head and Chair of Governors were invited to the cabinet meeting and were accompanied by one member of the public. We have received a letter this week from Government, which clearly states this is a local matter.

The report was signed off by the two Church authorities (C of E and Catholic).

The school has a capacity of 56 pupils with only 31 attending.

There are currently 53 primary school aged pupils living in the Dilwyn catchments area of which 19 go to Dilwyn.

There are 146 spare places in the Weobley school cluster.

Dilwyn is receiving £5,849 per pupil funding compared to Herefordshire average of £ 3,666.

Our Small School Policy of Amber light at 46 pupils or less and red light for 36 pupils or less has been around for over 6 years and has NEVER BEEN CHALLENGED BY ANY POLITICAL GROUP or Educational body.

Pembridge expects 101 pupils in September.

Health White Paper

This came out on Monday and proposes the abolition of PCTs in March 2013 to be replaced with consortia of GP practices. Important to recognise that integrated working between the NHS and Social Care is at the heart of the new proposal. Therefore although the PCT will go the joint commissioning and diverting of budgets that we have established is the way ahead. Local Authorities will also have a stronger role in public health.

Chris Bull meets with Minister for Social Care Paul Burstow this week. It is clear that the new government recognises that what we have been doing in Herefordshire is the way forward.
