G175 Planning applications for consideration : None.

G176 Children's Playground Surface & Equipment Repairs – Cllr. A. Stokes
A belated visit to the playground has been made by another specialist firm from Shrewsbury; however in the meantime it was arranged for the playground surface repairs to be carried out either next week or during the first week or so of January, depending on weather conditions by Redlynch Leisure; as was agreed at the last meeting because of the need to get the work completed quickly.
Other minor repairs to swing top shackles can be carried out in-house.

G177 Housing Needs Survey – Clerk
This will be required to be undertaken, but has been deferred until next April/May to allow for the planned Neighbourhood Plan Questionnaire to be sent out to all households beforehand.

G178 Previously Unseen Vintage Photographs of Village – Cllr. G. Evans
There are about 90 photographs available from the time of their original publication in the Sunday Times newspaper; however, it is intended to display around 30 or 40 of them in 2016 : In the 50th anniversary year of their original publication. The cost to print and frame them will be about £50 each, and it is intended to sell them follow a period of display.
It is hoped that some grant funding will be available to offset the cost of preparing the photographs for display.

Meeting to be Closed for the next two items

G179 Residents Questions:
None.

G180 Ward Councillors Report – Cllr. R. Phillips
Cllr. Phillip's report has been circulated to all councillors in advance of this meeting.
Additional information given by Cllr. Phillips included:

The Post Office mobile van has not been providing the level of attendance that was agreed, and a complaint will be made.

Shobdon parish has just had a road resurfaced, which is good news.
It was noted that there is a need to resurface the road near Weston bridge, and this will be reported.
There are more problems occurring in West Street with dangerously loose kerb stones.

The Herefordshire Council Budget Consultation is ongoing, and councillors were requested to consider responding on aspects of highway maintenance and public toilet closures.

Pembridge doctor's surgery opening times continues to be a problem, and letters of complaint have been submitted to a higher authority to see whether the situation can be improved.

Meeting Re-opened

G181 1st World War Centenary Events – Clerk

The local branch of The Royal British Legion recently held its first meeting at which WW1 commemoration events were discussed. There will be events planned over the 4 year period.

The first event planned for next year will be a Church Service held on 3rd August.

The Pride in Pembridge group will be planting red poppies around the village to mark the occasion. They will also submit a donation request to the Parish Council for funding for new planters. It is very much hoped that local children will be involved with planting etc.

There are some trees around the front of the School site, close to the War Memorial, which will be tidied up in readiness for 2014 commemoration services there.

G182 Glass Recycling Bins – possible problems with overflowing (over filled bins)

The Village Hall Committee is still concerned about the problems with the bins being overfilled, which mainly seems to be being caused by trade misuse by dumping large quantities of empty bottles in the bins, whereas the bins were solely intended for the use by those residents who do not have their own wheelie bin in which to dispose of domestic glass.

Additional Notices will be displayed on the bins highlighting ‘Strictly No Trade Use’.

If there is no improvement then the bins will have to be removed and/or resited elsewhere in the village soon.

G183 New Parish Warden needed – Cllr. A. Stokes

Following discussions with the local Police it has been decided that there is no longer a requirement for the village to have its own Warden. These days information is quickly passed electronically between the local Police and Parish Councillors, and the Neighbourhood Watch Team. Mr. John Petrie has agreed to be the named person connected to Neighbourhood Watch who will receive the Police regular bulletins for circulation, as well as the Parish Council Clerk.

G184 Other Items for discussion:-

There is a capping stone from the public toilets roof which has become loose and dislodged.

The Pride in Pembridge Group will look at repairing this.

The Bell Tower Clock annual service agreement will need to be renewed following next year’s maintenance visit.

It was acknowledge that a new 4 year pay in advance contract would probably be the best option and provide a considerable saving over the normal annual fee.

The Pride in Pembridge Group are considering asking Kingspan for a grant to extend the walkway down by the riverside, as the ground there continues to be very wet and difficult for visitors to walk across.

The letter sent by the Parish Council in response to the H & W Fire & Rescue Service restructure has been acknowledged. Copies were sent to Bill Wiggin MP, Pembridge Ward Cllr. and Kingsland Fire Station.

G185 A Happy Christmas & Prosperous New Year is wished to all councillors and residents and businesses.

G186 Next Meeting Date:

Wednesday 15th January 2014 at 7.30 pm in the Parish Hall.

All Welcome
