All the points listed on A to J of Section 4 of the Annual Return were reviewed with regard to the internal controls in place and the accuracy of accounting information. H079 Parishioners Question Time:

There were no parishioners present.

H080 Ward Councillor's Report: Cllr. R. Phillips:

The May report has been circulated to all councillors by e mail in advance.

In addition, Cllr. Phillips mentioned that he had recently held a get-together for all his parish Clerks and Chairmen, to facilitate a meeting with the new area Locality Steward, Vince Playdon. This was a most useful meeting, and would be repeated in a few months time.

The possible private arrangement for supply of Speed Indicator Devices for Pembridge was discussed, and may be arranged shortly in conjunction, on a sharing basis, with another parish.

THE MEETING WAS RE-OPENED

- H081** **Notice Boards supply for the Hamlets of the Parish – Cllr. A. Pace:**
Following discussion there was an agreement to have some of these, and Cllr. Duggan mentioned that he may be able to source some and would advise back to the next meeting. **KD**
Clerk advised that the main notice board in the village is the only one that will continue to have parish council information placed on it.
- H082** **Pride in Pembridge Group – Cllr. A. Stokes:**
The group continues to carry out regular weekly tasks around the village. The Heart of England Competition day will be on Friday 4th July in the village, and a village sweep has been arranged for just beforehand.

There is a tree down across the river, and Cllr. Stokes confirmed that this is too big a removal job for the Group to consider, and perhaps the Tree Warden would advise on the best course of action. Clerk is to follow that up. **HH**

The new village Welcome Boards are just awaiting to be approved by the Department of Transport, and will be fitted at the east and west ends of the village shortly.

A new grass track has been mown across the village green towards the cleared area of River bank – making that look more attractive.
- H083** **Flicks in the Sticks – Clerk:**
Following discussion it was thought that there would not be sufficient take up, and there are films already being shown regularly in Staunton on Arrow on another scheme.
- H084** **Subsidised Bus Service Review - Clerk**
This Review has been circulated to all councillors for their consideration. The closing date for responses is 28th May. Noted.
- H085** **Parish Tree Inspection Report – Clerk:**
A detailed visual report on the Village Green trees has been prepared by a qualified arboriculturalist (this is carried out every 4 years). It highlighted three areas of high priority where trees need attention within 3 months. The Clerk was requested to pass the information to the Tree Warden for his comment and advice, and the matter will then be considered at the next meeting. **HH**
- H086** **Herefordshire Local Plan – Core Strategy 2011 – 2031**
PRE-SUBMISSION PUBLICATION: 22 MAY – 3 JULY 2014 (Consultation period)
Following discussion it was decided not to respond to the consultation.
