

LEOMINSTER SHOP MOBILITY

The shopmobility scheme in Leominster is seeking to raise £140,000 to enable them to buy the premises they rent from the council. You will be aware of the shop in the car park in the centre of Leominster.

They are looking for businesses or individuals to run fundraising events with the proceeds going towards the purchase price.

Anyone who can help, please get in touch on 01568 616755. Richard Langridge would be delighted to hear from you.

They are at 6 Morris Mews in Leominster.

As an aging population we are all going to need more and more of these kind of services as we get older, so if we can support them they will be there when we need them.

PEMBRIDGE PARISH COUNCIL

Dear Residents,

As previously mentioned in the last edition of this magazine, the Parish Council will be holding an evening meeting to which you are invited to come along on Wednesday 25th October at 7pm.

The aim of the meeting is to give you all an opportunity to let us know your reasonable suggestions for improvements in and around the parish. These suggestions are being sought as part of a wider consultation with residents, with your local decision making very much in mind. All suggestions will be considered on merit and costing by the Parish Council as part of its budget setting process in December, for implementation in year 2012-2013. If your ideas are more far-reaching into the future, these are also welcomed for consideration, and would allow the Parish Council to better plan for them.

If you are unable to attend the meeting, you would be most welcome to e mail your response to: mail@pembridgeparishcouncil.gov.uk or to mail the slip below.

We look forward to seeing you, or hearing from you.

EDITORIAL

Well summer is having a last fling before handing the baton to autumn for the dash to Christmas. A mixed summer, I think you'll agree, with long dry spells but not a lot of sunshine. A sort of six out of ten summer.

Inside you will find some news of the re-opening of the village shop. It will be wonderful to have the old building back as a shop. With such a long history it seems only right it should be back.

Bonfire night is still a few weeks away but please go along and support it. It's been a roaring success over the years and a lot of work goes in to making it happen.

No Spain for me this year as we are running the Leominster shop through until Christmas. I sense your sympathy to my plight, but don't worry, we're off to New Zealand after Christmas to catch up with the children (and grand daughter) so will get a second bite at summer.

There's a lot happening in and around the village over the next couple of months so please get out and support as many things as you can. After all, isn't that what rural living is all about?

Enjoy the time of mellow fruitfulness...I sense a cold winter coming on.

2nd Rosemary cottage - colour combination superb

3rd Terracotta Barn - 4 lovely subtle baskets

Frontages (Influenced by position along the dusty road but looking magnificent)

1st - Pilgrims cottage Very Striking

2nd - 3 Manley Lane a lovely garden for all seasons

BONFIRE NIGHT

Pembridge Bonfire will be on

Saturday November 5th

at the millennium meadow.

The bonfire will be lit at 7pm and the fireworks start at 7.30pm. Unfortunately we are unable to have sparklers but there will be a bar and hot-dogs will be on sale. Entry is free but donations at the gate would be greatly appreciated as the fireworks are very expensive. This is a well organised event, with a committee member giving up a day's work to go on a firework training course. This has to be done every year to get insurance cover for the event. So please come along and enjoy yourselves.

HEREFORDSHIRE COUNCILLORS REPORT SUCCESS FOR OUR LOCAL NEIGHBOURHOOD WATCH

On the 31st August the police received calls from Pembridge with information about a suspicious vehicle in the area believed to be stealing drain covers.

Down the Rhyse lane 14 metal draincovers had disappeared leaving potential very dangerous exposed holes for vehicles and cycles to go into. Officers went to find the vehicle and a pursuit followed and three individuals were arrested. The success of this is due to the information and intelligence of the Neighbourhood Watch and Pembridge Buyers Group who provided the information. Our local policing team of PC Jo Ellis, CSO Dick Allford and CSO Dave Boden were nominated for Local Policing team of the year. Although they did not win I think no one local will be surprised that their work is so highly regarded.

KINGSPAN

Employing over 350 people Kingspan is the largest local employer and I visited them recently to discuss a range of issues. I raised the problem of foreign drivers coming on the A44 and we agreed we would look at a sign at Marston turn. They are very dependant on the building industry and have provided the insulation for both the Handball and Basketball Arenas on the Olympic park.

LADY HAWKINS SCHOOL

Our local High School enjoyed good examination results at both A level and GCSE. Over 83% of the year 11 leavers gained 5A*- C grades with the English and Maths result showing a 16% improvement from two years ago. The school, due to it's good Osted rating has requested to become an Academy School in October.

BROADBAND REGISTERING

In October every household and business will receive a leaflet asking them to return and register an interest in high speed broadband. Over the next six months a massive contract to bring high speed broadband to both Herefordshire and Gloucestershire is due to be agreed and as part of that we need to know the potential size of demand to ensure we get the right levels of investment. If you are resident who uses a computer, have children in the house or a local business please ensure you register with www.fastbroadband4herefordshire.org.uk

PEMBRIDGE SHOW

Pembridge show had a successful and enjoyable day. The weather was fine and there were no problems. No one hurt themselves falling off horses, no trotting horses bolted and no one got bitten by a dog, the Red Cross had a fairly quiet day, thank goodness. There were excellent entries in the exhibit marquee, thank you all that entered. The dog display provided marvellous entertainment. On behalf of the committee I would like to thank every one who helped at the show we couldn't manage without you. I would especially like to thank the lady who read in the journal that we were short of help, she rang me and volunteered to work from 1pm - 5pm. I found out she was from Marden she arrived and sold raffle tickets all afternoon. If anyone would like to join our committee please get in touch.

VILLAGE SHOP TO RE-OPEN !

I'm delighted to report that the village shop will be re-opening soon, hopefully well before Christmas. Here are extracts from a letter from the new owners.

Dear Parish Council,

My partner and I are delighted to be purchasing Pembridge Village Store "Ye Olde Steppes". If all goes well, we hope to be in by late November, opening as soon as possible thereafter.

We plan to sell newspapers, greeting cards, fresh baked bread, traditional sweets and a small selection of alcoholic beverages. The needs of the Parishioners are most important; we therefore plan to provide the "top 100 items" as chosen by the local people. We will provide where possible, economy and locally produced lines for each item requested. We want the community to feel that the shop is for them, and open when they need it the most.

We also intend to use part of the shop floor area as a meeting space with free internet wifi and tables where people can meet and have a cup of tea and a slice of cake. We will serve quality loose leaf teas in fine bone china and freshly baked goods that will also be available in the shop. We will provide freshly made sandwiches with traditional and modern fillings available for eat in and take-away.

An area in the shop will be allocated for local people to advertise their services, charitable or community events. An information and leaflet area will be assigned for tourists visiting the village.

We will be opening up the fireplaces in the main shop areas and plan to have the fires lit during the winter, making the village shop a warm and welcoming place for people to come in and socialise.

We are both really looking forward to becoming active members of the community and very much hope that our plans for the Village Shop will be exciting and acceptable to the people of Pembridge.

Any comments or suggestions on how we might make the Village Shop work best for the community will be much appreciated.

Best wishes

Gary Seaton & Mark Ratcliffe
