or email homesupport@erdaycentre.org
East Radnor Home Support is a free service and is currently available to anyone in the wider community. They have qualified staff who can help you.

WhatsApp GROUPS

Many residents are already forming groups to look after their immediate neighbourhood and you're encouraged to join one if you can, or start your own.

Advice to those self-isolating

Do not give out your bank card or pin number to anyone and do not let strangers into your home.

Who are the volunteers?

The volunteers all live and/or work in the Presteigne & Norton community and have signed up to support the community and one another at this time.

KEEP THIS FLYER FOR WHEN YOU MIGHT NEED IT. AND DON'T BE AFRAID TO GET IN TOUCH.
