PARISH NEWS

VACANCY FOR SECRETARY - PEMBRIDGE AMENITY TRUST

Pembridge Amenity Trust are urgently seeking a secreatary to undertake a variety of administration duties to support this local charity. The role is voluntary and would ideally suit a local parishioner with good interpersonal and admin skills, numerate, effiecent and organised. Interested? Please contact Garfield Evans on 01544 388638

PARISH NEWS

The Parish Council has recently installed large boulders in the Village Green Car park, a new barrier will be installed when funds are available. New signage has also been installed to encourage visitors to take their rubbish home and remind there is a no BBQ policy on the Village Green.

PLAYGROUND

A new fence has been installed around the playarea in the Millenumum Meadow. Further works are expected soon, including a new slide on the multi-unit, new play panels and all the equipment will be having a good clean too.

COMMUNITY SPEED WATCH

Cllr Zagni is moving forward with setting up the new Community Speed Watch Group. Co-ordinators are now in place and the group will soon be formalised with the local policing team, If you would like to be part of the group please contact Cllr Zagni or the clerk.

REPORT A PROBLEM

Report a pothole or Highway issue
1. Log on: www.herefordshirecouncil.gov.uk. It helps if you can upload a photo of the pothole or the issue.
2. Call Herefordshire Council: 01432 261800
3. Download the Reporting App to you phone and upload photos.
4. Email the clerk: clerk@pembridgeparishcouncil.gov.uk
or our Footpath Officer: Cllr Hancock: hyloch@gmx.net

COFFEE MORNINGS IN THE PARISH HALL

COME ALONG : 17th October and 21st November
starting at 10.30am.
Home-made cakes, drinks, chat and friendship.

WARD COUNCILLOR NEWS

Cllr Roger Phillips - rjphillips@herefordshire.gov.uk

Challenging Summer for our Fire service

As Chairman of the Hereford & Worcester Fire Service (HWFRS) and have been closely involved with the challenges we have faced with this hot dry summer; since May we have attended over 900 outdoor fires with nearly 300 incidents per week at its peak compared to normally 150 incidents. The nature and size of these incidents and the fact that this is also happening with our neighbouring Fire Authorities and nationally has posed us some significant challenges, however we were well prepared and equipped to face these challenges. We attended many mid-size incidents requiring between 4-8 fire engines, often concurrent and requiring over 24 hour cover plus supporting neighbouring fire services.

August 13th saw this activity peak with around 40 serious incidents attended in one day. We supplied several crews and engines to support West Midlands Fire service at the major incident at Stourbridge where 19 houses were destroyed, and our own serious incident at Pershore which saw three houses destroyed by fire and seven more damaged, with over 30 people evacuated. On the Friday the national alert was sent to all mobile phones for the good reason the service nationally was approaching breaking point.

My thanks to the professionalism of our firefighters and staff for working to protect our communities in tough conditions. Also the support of the farming community helping create firebreaks, the employers of retained firefighters who saw less of their employees, and the public for their assistance and support. Lots of lessons to learn from this summer and the impact of our changing climate, as we prepare for winter and a risk of flooding.

Roger

PLEASE Report highway and other concerns to Herefordshire Council website and type in Report a problem. You can report Potholes, (helpful to have photos), missed bins, Street lighting, fly tipping etc

DOG POOP - PICK IT UP AND BIN IT!

Please pick up after your dog and dispose of it safely.
